

Blessed Holy Week and Happy Easter to you all!

It is my prayer that you sense God's presence in the midst of all the preparations of this Holy Week. And that with the busy-ness of hosting family and friends, the frenzy of travel, and the readying for time away that still moments in this Spirit will be yours. May each activity be a prayer which breathes out stress and strain. and breathes in the New Life made possible in the Resurrection joy of our Lord Jesus Christ! Here is a prayer you might wish to use as you share your Easter meal:

Holy and Loving God, may the grace of the Risen Christ be with us this day. Bless this meal and each one who gathers as we celebrate together. May your love be shared amongst us in our cherished time together.

We remember before you, our neighbors around the world, especially those in need. Please bring them your healing, your hope and your peace. Help us all contribute to New Life in the world, always grateful for your sacrificial love. Amen.

Happy and Blessed Easter to you all!
